

Supply kit checklist

Pack to at least seven days. Water is one gallon per person per day.

General information, not professional, insurance, or legal advice. Always follow official evacuation orders from your county.

Water and food

- ☐ Drinking water: one gallon per person per day, enough for at least seven days
- ☐ Extra water for pets
- ☐ Non-perishable food for at least seven days, including food people will actually eat
- ☐ Manual can opener
- ☐ Infant formula and bottles, if you need them

Light, news, and power

- ☐ Flashlight for each person
- ☐ Extra batteries
- ☐ Battery or hand-crank radio, and a NOAA Weather Radio with tone alert
- ☐ Phone chargers and a backup battery
- ☐ Whistle

Health

- ☐ First aid kit
- ☐ Prescription medicine toward a two-week supply, plus a written dose list
- ☐ Non-prescription medicine the household already uses
- ☐ Glasses and contact-lens solution, if you use them
- ☐ Dust masks

Sanitation and comfort

- ☐ Moist towelettes, garbage bags, and plastic ties
- ☐ Soap, hand sanitizer, and hygiene supplies
- ☐ Change of clothes and sturdy shoes
- ☐ Sleeping bag or blanket for each person
- ☐ Diapers and wipes, if you need them
- ☐ Books, games, or other quiet things for children

Tools and papers

- ☐ Wrench or pliers for utility shutoffs
- ☐ Local maps on paper
- ☐ Plastic sheeting, scissors, and duct tape (Ready.gov lists these for sheltering in place, not as shutters)
- ☐ Copies of ID, insurance policies, and medical papers in a waterproof container
- ☐ Cash
- ☐ Pet leash, carrier, food, and a photo of you with the pet
